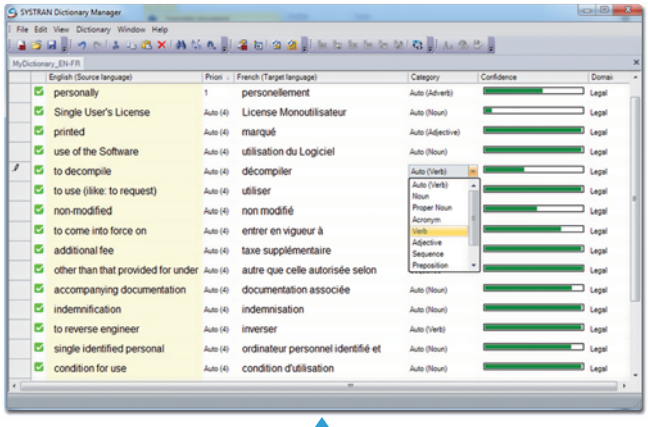
Translate selection and replace
Je vous informe de l'ouverture de notre nouvelle filiale, Exatech, dès le mois de décembre. Les investissements se dérouleront par la suite selon le plan suivant :
Exatech aura pour rôle de coordonner les activités de nos différentes sociétés dans les domaines de la logistique et de l'informatique. Parallèlement nous arrêterons toute sous-traitance afin de réaliser complètement le montage de nos imprimantes et de nos bacs à cartes au sein de nos ateliers.
Message translated with SYSTRAN 7
Subject: Subsidiary opening Exatech
I inform you of the opening of our new subsidiary, Exatech, as of December. The investments will proceed thereafter according to the following plan:
Exatech will have as a role to coordinate the activities of our various companies in the fields of logistics and data processing. In parallel we will stop any subcontracting in order to completely carry out the assembly of our printers and our card trays within our workshops.

The new SYSTRAN Toolbar for Outlook is integrated within Microsoft Outlook 2010, 2007 and 2003. Just click and your translation appears under the original message.



SYSTRAN Dictionary Manager supports bilingual dictionaries containing specific terms which are used to adapt translation to your context. IntuitiveCoding™ technology generates the appropriate inflection of words.

Selected by leading Internet portals, global corporations, and the US intelligence community, SYSTRAN is the leading supplier of language translation software.

- Patented translation engine
- More than 50 available language pairs
- Integrated dictionaries with millions of words and expressions
- Terminology from Larousse and Chambers
- Spelling and grammar checkers
- Automatic detection of acronyms, entities (names, dates, time, etc.), source language, and more
- Translation profile management
